

pecha kucha tampa

August 1, 2009

Volume 3

what is pecha kucha?

Pronounced ("peh chak cha") is the Japanese word for "chit-chat." It is also a blend open mike, happy hour and forum for new ideas. Designers, advocates and overall creative people are given **20 slides** shown for **20 seconds** a piece. Originated in Japan, Pecha Kucha has spread virally over 200 cities around the world.
